To whom this may concern:

Thank you for accepting all of  
AAUS's proposed rejections of the Rabbit  
Patent, Patent # 6,924,413.

However I am opposed to the USPTO's  
practice of issuing patents on animals.  
In Canada, the Supreme Court rejected  
arguments that animals could be patented.  
I hope you will follow their good judgment.

Thank you

Roberta Campbell
